**Confused by Single Stream recycling?**  
**Here are tips to make it easy...**

**The EPA estimates that 75% of the American waste stream is recyclable, but we only recycle about 30% of it. We can do better!**

*Compiled by the Zero Waste Committee of Sustainable Saratoga with assistance from Skidmore Political Ecology class (fall 2016).*

*Sustainable Saratoga is a not-for-profit organization that promotes sustainable practices and the protection of natural resources, through education, advocacy and action, for the benefit of current and future generations in the Saratoga Springs area.*
