## TREEaction: Art, Activism and Saratoga's Changing Treescapes

► Reception: Thurs., November 7<sup>th</sup>, 5-8PM

The second part of the exhibit, **TREEaction**, will combine Diggory's art with the work of Sustainable Saratoga's Urban Forestry Project. Sustainable Saratoga's efforts to document and advocate for Saratoga's trees were key to the City's 2013 adoption of its Urban and Community Forest Master Plan and also inspired Diggory to reexamine decades of her Saratoga paintings and to create new work. **TREEaction** demonstrates how art and activism work together to inspire and illuminate a cause of public interest.
